

### Rocker Portable Sign System

The Rocker is ideal for sidewalk advertising. The base can be filled with water for stability and the spring loaded graphic support provides the flexibility needed to handle the change of outdoor elements. Can be used with 4 mil coruplast for outdoor usage and 1/8" foamboard for indoor usage.

Graphics can be die cut to any shape for extra impact!

**Graphic Size:** Maximum 24" w x 36" h

**Hardware Color:** Grey w/ Black

**Height** (without graphic): 45.25"

**Footprint Dimensions:** 21.6" x 21.6"
