

How To Upload to Jomark Graphics FTP Server

1) We recommend using [ACE FTP](#) for Windows & [FETCH](#) for MAC as reliable ftp programs.

2) Make sure you compress your files either in ZIP or STUFF IT format using either [WinZip](#) or [Aladdin's Stuff it](#) program.

3) Once FTP program is installed, please input the following information:

Windows Users type

- FTP name: ftp.jomarkgraphics.com
- Username: client@jomarkgraphics.com
- Call us for pass word 516-433-0133

Mac Users type

- FTP name: jomarkgraphics.com
- Username: client@jomarkgraphics.com
- Call us for pass word 516-433-0133
