

Topper Tabletop

Toppers broadcast your message in a big way. These ultramodern tabletop systems are built of aircraft grade aluminum, and feature a large footprint for stability. Each Toppers display comes complete with the frame, graphics, headers and wings, lights and a wheeled rotomolded case. Toppers set-up and break down in minutes, and everything packs neatly inside the foam-fitted rotomolded wheeled case.

Dimensions: 67"w x 52"h

Total Weight 68 lbs
